DETAILED ACTION

Allowable Subject Matter

1. Claims 1-17 and 19-35 are allowed.
2. The following is an examiner's statement of reasons for allowance: Applicant discloses and claims a method for generating a synthetic voice comprising, receiving a user selection of a first text-to-speech (TTS) voice and a second TTS voice from a plurality of voices, receiving at least one user-selected voice characteristic, and generating a new TTS voice by blending the first TTS voice and the second TTS voice according to the at least one user-selected voice characteristic. Applicant's argument that the claimed combination of features are not taught by the combination of the prior art references is persuasive and therefore claims 1-17 and 19-35 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
